MISSIONS CONFERENCE 2011

MISSION: POSSIBLE

HOW CAN THE WORLD BE SAVED? FOR PEOPLE, THIS IS IMPOSSIBLE;
FOR GOD, ALL THINGS ARE POSSIBLE. - MARK 10:26-27

WHAT YOU CAN DO

Taking the good news of Jesus to the world is the responsibility of every believer. That doesn't mean that everyone is to go to the nations, though. There are other ways that you can help carry the good news forward; such as praying for missions and missionaries, supporting missions, and even participating in short-term missions trips. Your support of missions is vital to continuing this task that we have all been assigned to carry out.

HOW YOU CAN PRAY FOR MISSIONS, ASK GOD:

- ▶ For the nations as our inheritance
- ▶ To create a greater desire in us to pray for missions
- ▶ To give our children a heart for missions
- ▶ To give our youth a desire to support and serve the mission field
- ▶ To raise up workers from among our church to send to the nations
- ▶ To give our missionaries a double portion of God's presence in their lives
- ▶ To constantly remind our missionaries that they are not alone
- ▶ To enable our missionaries to effectively communicate the good news of Jesus
- ▶ To use our missionaries to plant strong, well-grounded, and self-sustaining churches

HOW YOU CAN SUPPORT MISSIONS

New Life Church is committed to furthering missions around the world. Through monthly support to the missionaries listed on the next page, and funding for special missions projects throughout the year, this is at the heart of who we are. You can support missions by partnering with New Life and committing, by faith, to contribute to missions for 2011. Your missions faith promise can be submitted here at church, or even as a recurring transaction through newlifedfw.com. In this way, you can ensure your pledge is made, at the interval that you select, for the entire year.
